

Famiglia

Design by PearsonLloyd

Designed by PearsonLloyd for Allermuir as a harmonious collection of seating and tables, the all new Famiglia suits both formal and informal settings. Reimagined with improved comfort and refined silhouettes, the family's subtle update

includes 3 new models. Famiglia includes low, mid, high-back and lounge chairs, as well as light work tables. These are complemented by a range of occasional and light work tables for informal or formal needs.

Design
PearsonLloyd

Luke Pearson and Tom Lloyd first met while studying Furniture Design and Industrial Design respectively, at London's prestigious Royal College of Art. They set up their multi award winning design studio in 1997.

Since then the studio has created stunning solutions for a variety of international clients from the aviation, workplace, urban design and healthcare sectors identifying and responding to shifting patterns of behaviour in contemporary life.
