Allermuir **Product Range**

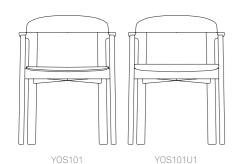

Yōso

Made purely from oak, Yōso is a fusion of craft and technology to create an elegant armchair rooted in traditional design sensibilities that traditional design characteristics but push have pushed the boundaries of with a modern expression.

Yōso's subtle details are a true celebration of craftmanship and manufacturing to reveal a product that honours the artistry inherent in

Design by Samuel Wilkinson

Yōso's design.

Design Samuel Wilkinson

Samuel Wilkinson is dedicated to creating recognition globally, including notable distinctive objects through his design, employing innovative approaches in both form and function. With a deep understanding of materials and manufacturing, the studio aims to craft conscious objects that blend precision and museums such as MoMA, The Victoria and craftsmanship with material efficiency. Albert Museum, The Smithsonian Cooperdis work spans various disciplines, from consumer products to larger public projects. Wilkinson's studio has received

design awards: Design of the Year from the London Design Museum and the Black Pencil from the D&AD. Samuel Wilkinson's designs have been included in the permanent collections of esteemed Hewitt Collection, The Art Institute of Chicago, and Design Museums in London and Helsinki.
